## NHRA pays tribute to a fallen race car driver

Funny Car driver Eric Medlen was laid to rest on a dreary Wednesday afternoon at West Ridge Park Cemetery in Clermont, Ind., within earshot of O'Reilly Raceway Park at Indianapolis, drag racing's most hallowed ground. The 33-year-old John Force Racing driver died as a result of head injuries suffered in a testing accident March 19 in Gainesville, Fla.

Medlen's death was the first in the NHRA Funny Car division in almost 30 years. The last known NHRA Funny Car fatality was that of Dodger Glenn, who succumbed to injuries July 23, 1978, following an accident the day before in the semifinals of the Division 1 points meet at Maple Grove Raceway in Pennsylvania.
