

April 2011 Minutes

Aprils' meeting was held at Mike's Classic Cars in Blair and called to order at 7:40 p.m. There was no treasurer's report.

Amber mentioned a few quick items of interest including the club having their 2010 Offutt Air Force Show outing published in the April issue of the Mustang Times magazine published by MCA. A magazine was passed around so members could view the article. Dennis will contact MCA and see if we can get additional copies to disperse to club members who want them.

Amber also discussed the upcoming Sioux City Mustang clubs annual show to be held on Saturday, May 21st. This year they will have participant judging with multiple classes. There is no registration fee. Additional information to be provided when available. Amber will speak more about this at the May meeting.

Duane spoke on legislation 698 regarding changing labeling requirements on gas pumps across the state. If passed customers will not know whether the gasoline they put into their vehicles contains any ethanol. Duane has been conversing back and forth with a member of the Nebraska State Legislature and feels he is getting somewhere in having them reconsider with valid points he has mentioned.

The Wahoo swap meet will be held Sunday, April 17th at the Wahoo fairgrounds.

Duane reminded everyone that Coffee Cruise starts Saturday, May 7th at the Hy-Vee located on 156th and Maple Street. All makes and models are welcome. Also, on May 7th is the annual R.O.C. car show to be held in Ashland. The car show will be held at the Ashland High School.

John Brehmer spoke about the upcoming Midwest Ford show in July. Our club will be responsible for helping with parking. Volunteers will be needed. John will speak more about this as we approach the show. John also spoke about the show n shine class that will be offered for registrants who do not wish to have their car judged. Only those who are willing to stay all day and leave their car parked will be allowed to sign up. This is encouraged so spectators can view all cars throughout the day.

John also passed out fliers for our show in September and encouraged members to display them at local businesses.

Mark Hughes brought and showed an embroidered club sweatshirt to members. The sweatshirts can be ordered now for those who wish to have one. The sweatshirt displayed was embroidered "club president" on the left chest and given to Amber Brush courtesy of Mark and Dale Bumgardner.

Eric from Mike's Classic cars thanked everyone for coming and encouraged everyone to view the displayed cars at their leisure. Mike was not present as he was in Chicago on business.

New members present at the meeting included James Nelson who owns a 1986 Mustang GT and Randy Carlson who owns a black 1965 Mustang coupe.
