

## February 2011 Minutes

February's meeting was called to order at 7:34 p.m. and adjourned at 8:00 p.m. Clark, our treasurer, was not in attendance so there was not a current balance reported.

No old business was reported.

New business included discussion regarding club shirts and hats. Those who ordered and paid were able to pick up their orders from Mark. Mark also spoke about sales tax. On the first order the club had neglected to collect sales tax on the shirts and hats. Those who wish to order in the future need to add sales tax on top of the shirt/hat prices. Mark also stated that if paying by check, the check must be made out to his name as the printing company does not accept checks as a form of payment. A new order sheet was passed around for those who didn't have a chance to order so they could sign up for the next round of printing.

A reminder was mentioned that the club chili cook off will be held Sunday, February 20<sup>th</sup> at Duane's shop in Elkhorn. Members can either bring a pot of chili or a dessert. A motion was passed to have the club provide all beverages, plates and utensils. Duane's address will be sent out to all club members prior to the event.

Club members discussed different meeting places since we have outgrown Sam & Louie's. Dennis and Barb reported on the Millard Roadhouse, Zio's and Clancy's. Joe had sent a report of Sam & Louie's on 180<sup>th</sup> and Q to Amber. The club took a vote to see which place had the most interest. Clancy's ended up winning therefore a motion was passed and the club will host its March meeting there. They are located on 114<sup>th</sup> and Dodge street.

Amber discussed the Nebraska license plate law that is being reconsidered to change the requirement of two license plates on vehicles to one plate. She will send out an e-mail with contacts and a sample letter so those who wish to express their support can do so.

The 38<sup>th</sup> annual swap meet in Lincoln is to be held Sunday, March 6<sup>th</sup> at the Lancaster Event Center. Amber handed out fliers to those who wanted them.

Amber read an e-mail submitted by Patti Davenport who works for a men's hair care company. She will be in Council Bluffs, IA in April and is looking for someone who will loan a 60's Mustang for their booth. They are doing an "American Steel" inspired theme that will include pictures of the Mustang Bullitt. Anyone who is interested in participating can contact Amber and she will give you Patti's information.

A reminder was mentioned that dues are due. Duane has set up a PayPal account for those who wish to pay online. The e-mail address to send the funds to is: [omahamustangs@cox.net](mailto:omahamustangs@cox.net) Due's are \$24 per year. Club members were also told they can pay for shirts and hats this way as well.

New club members present included Perry and Diane Storm who own a 1972 Mach 1 and a 1968 Cougar, Mike Touley who own's a 1998 GT convertible and Jim McCarthy who owns a 1998 Mustang.
