The Mustang Dynasty presents the full story behind every model, from the original 1964 pony car to the heralded 2007 Shelby GT500 and beyond. The Complete Book of Mustang offers an in-depth look at the prototypes and experimental models, the anniversary and pace cars, and the specialty packages for street and competition driving that have made the Mustang a living automotive legend. The books can be purchased on Amazon.com

Meeting Minutes

The meeting was called to order by Chris Crawford at 7:30 pm at Sam & Louie's New York Pizzeria on 120th & Blondo on September 9th, 2007.

The first thing that was discussed was the Chili Cook-off turn out which was disappointing. The weather was calling for rain all day, but never actually did. This kept away a lot of cars. We discussed that we are asked next year to do it that maybe we will open it up to all Fords instead of just Mustangs.

Officer Nominations for 2008 were next.

For the Kiddies... Summerfield's Mustang Cookies
Said to be seen at Ford dealer for around \$1 (a buck is not bad) and wanted to see what a Mustang tasted like. These cookies are made by Summerfield's under license from Ford.

Ford's Color Palette

How important is color when it comes to buying a vehicle?
According to Ford Motor Company research, 39 percent of consumers say they will walk out of a dealership if it doesn't have a vehicle they want in their color of choice.
