Don't miss this great opportunity!

Thank you Matt for your time as Secretary

This past week, I accepted a promotion and transfer within the Department of Defense civil service and will soon be leaving Omaha (again) for Stuttgart, Germany. I have truly enjoyed my second stint with the MCCO and look forward to coming back and participating again when I return in 2010.

The friends that I have made through this club have

significantly enhanced the life that I've enjoyed in Omaha.

Thank you MCCO! Matt Eggleton

Matt is also selling his 1985 GT Convertible for \$4,950.00. Check out the website for more details. See pictures on the Officers page.

## Meeting Minutes

Secretary's Report – August 19, 2007

The August meeting of the MCCO started promptly at 7:30 on August 14th as President Chris Crawford took the floor. Twenty-eight members, family, and visitors were present.

1. Chris noted that the Lincoln show was a success and thanked all of the MCCO volunteers that participated
2. The show and shine at QLI was successful, as well. Though the car count was down a bit from last year (most likely due to the high temp), the residents really appreciated the MCCO members and their rides. Virgil proposed allocating more T-shirts for next year's QLI show and shine: generally considered a good idea.
3. BBQ a Denny's race shop was a great time also. Denny collected \$127 in donations and passed that money back to the club.
4. On Aug 25th there will be a show and shine at Anderson Ford in Lincoln (27th St.). They are hoping to host the Lincoln show next year and want a preview.
5. Todd is still putting together a road rally for late September. There will be a sign up sheet at the next meeting to gauge expected participation.
6. The September meeting will be at Dave's Auto Body.
7. Clark Robeson went to a road race event out in the Sand Hills and shared several stories at the meeting
8. Treasurer's Report: Balance = \$1,104.34 (July was \$1,115.34).
9. New members and visitors at the meeting: Roger, Jerry, and Mike. Welcome!
10. Mustang Club of America (MCA) membership dues will go up from \$35 to \$40 for next year. The MCCO buys 10 memberships in order to purchase insurance for our annual show. We will discuss distribution of memberships and the increase expenses at a future meeting.

## Scent of a Stallion: The Ford Mustang Cologne

Every Ford Mustang fan is used to the smell of sweet exhaust, sparkling-clean interiors, and the aroma of burning rubber, but now, there is one more pleasing aroma that is sure to capture the very essence of what it is to follow the Ford Mustang. The Mustang fragrance hints at tones of cedarwood and hints at sweet pipe tobacco, and is sure to capture what it means to smell as though the essence of the Ford Mustang is part of the man.
